

LEGACY GIVING

For more than 20 years, Everybody Wins! Iowa has been providing literacy and mentoring to students in Central Iowa, serving nearly 9,400 students with 8,500 volunteer mentors. Legacy gifts provide lasting, significant support to Everybody Wins! Iowa. We invite you to join us by leaving a legacy of support for Everybody Wins! Iowa.

Examples of Legacy Gifts Include

- Gifts through your Will: Gifts made through your will or estate plan can be unrestricted, residual or contingent and can define a specific amount or percentage of your estate.
- Life Income Gifts: A charitable gift annuity or charitable remainder trust offer a lifetime of payments to you and/or a loved one while providing support for Everybody Wins! Iowa.
- Gifts of Real Estate: When you make an outright, irrevocable gift of real property to Everybody Wins! Iowa, you may be eligible for charitable income tax deductions equal to the full, fair market value of the property. You may also reduce the capital gains tax. Gifts of real estate can also be used to fund a charitable remainder trust that provides payments back to you during your lifetime.
- Tax-Wise Gifts with Retirement Plans: If you have accumulated funds in a company retirement plan (401(k) or 403 (b)) or in an IRA beyond your needs, you can make a gift from such an account. If your gift is made post-life through your will, you may be able to avoid income and estate taxes, making these the most tax advantageous gifts you can make.
- Other Creative Gifts: Other gifts may be made through life insurance, savings bonds and other assets.

Contribute to our Endowments!

Demonstrate your passion for Power Read and support our future by making an annual contribution to our endowments. There is no minimum, and any amount helps us grow! Click a link below to make your contribution or find information on options available to you.
